## **NIH Awards to Medical School Departments Diagnostic Radiology in Fiscal Year 2019**

The total amount of NIH dollars going to Principal Investigators (Contact PIs and MPIS) having a primary appointment in Diagnostic Radiology Departments has increased 15.4% in FY 2019 as compared to FY 2018 (\$691,222,041.79 vs. \$598,810,010.49).

The Academy leverages this data as a strong advocacy tool on behalf of our community, which is why the staff continues to collect the data. In addition, we appreciate that many academic radiology leaders use this data for benchmarking their programs and advocating for their departments. **Below you will find our data broken down by STATE totals listed in ALPHABETICAL order.**
