The 2020 Academy expert volunteer panel includes:

- Susan Harris, Global Research Director, Ultrasound & Life Care Solutions, GE Healthcare
- Scott Penner, JD, Partner at Eversheds Sutherland (US), LLP
- Etta Pisano, MD, Academy Officer Secretary/Treasurer
- Emir Sandhu, MD, Vice President, BlueCross BlueShield Venture Partners

This session is an interactive educational opportunity for investigators to test their skills at pitching new technologies and product development ideas to a panel of experts from industry, venture capital and academia. A winner is chosen through a rubric scoring system developed by our expert panel. The idea for this session came directly from the Academy Council of Early Career Investigators in Imaging (CECI²).
