Nominations are Being Accepted!
The Academy for Radiology & Biomedical Imaging Research’s 7th Annual

IMAGING SHARK TANK
FINAL HELD DURING THE 2022 RSNA MEETING

WHAT:
We invite each Academy member Society Executive Director, Academic Chair or Vice Chair for Research to nominate an individual or team to present a pitch to our expert panel during the virtual session on September 21, 2022 for a chance to compete in the final session held in-person, at the 2022 Annual Meeting of the RSNA. Pitchers will compete for a space in the final round while receiving vital feedback from our expert panel of sharks, consisting of venture capitalists and leaders from both industry and academia. Finalists who present during the RSNA will compete for a cash prize of $500 as well as a chance to pitch to our Coalition for Biomedical Imaging and Bioengineering (CIBR) Industry Partners, in-person during their annual luncheon in Chicago, IL.

Our panel of sharks will select up to 9 nominees to present during the preliminary virtual Shark Tank Session, with the finalists pitching in-person during the Academy’s 7th Annual Imaging Shark Tank Session in November. This is a unique opportunity to gain valuable feedback and an exciting way to practice pitching new ideas!

Nominations are due no later than August 26, 2022. Presenters must have filed for patent protection.

WHEN:
Prelim round: September 21, 2022; Final Round: @ ’22 RSNA Meeting Nov. 27 - Dec. 1 (Date/Time, TBD)

WHERE:
Prelim round: Virtual Platform (Sept. 21); Final Round: In-person @ ’22 RSNA Meeting (Room Info, TBD)

Nominations MUST include the following (include as an attachment):
• A brief summary of the idea/product.
• A brief summary of existing funding and support.
• Confirmation the nominee has filed for patent protection.
